Opaline H-Line S/M

Installation guide

Architape

⚠ • Product installation must be carried out by a qualified professional.
• Before installing make sure that electrical power is turned **OFF**.
• Before installing make sure that the fixing area can bear the total weight of the luminaire.
• Pay attention to polarity when connecting (installing) the product.
• Do not operate if the luminaire has been damaged.
• To protect the surface from dirt and fingerprints, we recommend the use of protective gloves during installation.
• Product warranty does not cover any damage caused by faulty installation and/or misuse.
• For further information, please contact the manufacturer.
